Did you know that the name Sophia means wise? Most of us think of names as accidents of sorts, and their meanings we often ignore or forget. However, in the world of Holes, names and nicknames are incredibly important because they are used in the book to show an interesting or unique element of the camper's personality, it is something that also makes them a part of the group. Furthermore, we think that a person's name influences how they see themselves.

The background of the slide is a collage of autumn leaves in various shades of red, orange, and yellow. The text is presented in three horizontal bars with a solid orange background.

Holes is a novel that beautifully shows how significant and influential names and particularly nicknames can be.
